Sent our deck!

1/21/22 6:00:55 PM EST

Thanks going to look at it now

Re: Planning Chief - it looks like SVB may be taking another option. I will confirm this afternoon.

1/26/22 12:06:05 PM EST

Oh no. That is sad.

1/26/22 12:07:01 PM EST

As long as it's good for her... I think she may be going to work with Steve Willis

1/26/22 3:17:45 PM EST

Is there another option for planning Chief?

1/26/22 3:17:55 PM EST

Or, should we shortlist some names?

1/26/22 3:51:08 PM EST

I will ask Vera tomorrow but you should plan to short list some names

1/26/22 8:19:12 PM EST

Can you resend me that email without the By-Law ticketing issue. The reason is I have advised the mayor police chief and city manager that I am not comfortable using byelaw for ticketing during demonstrations for safety reasons. The reason I want it removed is I want to forward the email to Steve K as an FYI on issues. Thank you

1/26/22 8:45:09 PM EST

All good. Give me two seconds

1/26/22 8:45:15 PM EST

Thanks

1/26/22 8:50:25 PM EST

Cleaned it up and resent just now

1/26/22 8:50:47 PM EST

Thanks Beth... I really appreciate that!

Worried about residents in core. We are working with Police to have the PLTs continue to work on noise reduction.

2/3/22 7:38:37 AM EST

Yup

2/3/22 9:51:00 AM EST

Kim - may need you to escalate on Mayor's security with OPS.

2/3/22 9:51:15 AM EST

Will call back soon.

2/3/22 9:51:22 AM EST

Okay

2/3/22 10:59:05 AM EST

Trish Ferguson says that police are going to provide the Mayor a detail. Please pass that on!

2/3/22 10:59:42 AM EST

Merci!

2/3/22 11:16:19 AM EST

I am getting reports of protesters setting up encampments in NAC driveway and Confed Park. We should not allow this to happen and I am just informing EOC for consideration.

2/3/22 11:57:42 AM EST

So we got OPS to check it out. No encampment 😊

2/3/22 11:58:03 AM EST

Thank you

2/3/22 11:58:05 AM EST

But always reach out. We prefer to be pro'active

2/3/22 3:59:00 PM EST

It's behind the NAC. May have to get NCC and RCMP involved? I'll leave it up to you and EOC to coordinate with OPS

2/3/22 3:59:25 PM EST

It needs to be taken down!

2/3/22 4:12:11 PM EST

OPS has asked for an NCC officer to attend with a PLT to request that they dismantle it. If they refuse, OPS will discuss next steps with NCRCC.

2/3/22 7:10:12 PM EST

Problem with wooden structure. Can you take a call?

2/3/22 8:14:42 PM EST

Just a heads up...Police are sort of re-locating from their HQ. Setting up space at Ben Franklin Place. Want a room in there big enough to brief 100 people, a room to store logistics etc.

2/3/22 8:15:22 PM EST

I assume we will accommodate as I know Dan Chenier wants to be helpful.

2/3/22 8:15:33 PM EST

The ask just went to RCFS.

2/3/22 8:16:10 PM EST

Thanks!

2/3/22 8:38:17 PM EST

We are still on police about the shed... this is not a decision for the mayor tomorrow.

2/3/22 9:07:17 PM EST

It should be a no Brainer 🤔

2/3/22 9:07:57 PM EST

Agree

2/3/22 9:10:22 PM EST

Just spoke to Steve K and the shed will be taken down tomorrow morning

2/3/22 9:10:30 PM EST

Fingers crossed!

2/3/22 9:10:49 PM EST

It's very symbolic!!!

2/3/22 9:16:21 PM EST

Yes!!!!

2/4/22 9:22:15 AM EST

Where did you send me the photos of the cenotaph fencing?

2/4/22 9:22:55 AM EST

Go them

2/5/22 10:49:17 AM EST

I don't want to upset you but some tractors made it onto Albert yesterday night and are now parked there. So, Police somehow let more vehicles into the core.

2/8/22 7:07:17 PM EST

Awkward stuff on what's app. And the EOCCG update is in your inbox....

2/10/22 4:18:19 PM EST

Have been told Op being stood down indefinitely. National strategy afoot. You probably know this but just sharing.... 😊

Thanks... just making sure we didn't go a different route.

2/12/22 7:00:45 PM EST

Based on what you told me, this should be a good initial outreach. They will re-direct if required.

2/12/22 7:11:11 PM EST

Your better than the best!

2/12/22 7:11:19 PM EST

Save that one too!

2/12/22 7:13:40 PM EST

You guys are lucky I still have a good network in that world 😊

2/12/22 7:13:57 PM EST

Had to make some personal calls!

2/12/22 7:14:19 PM EST

I know and it was appreciated!

EOCCG update is in your inbox...

2/12/22 8:01:56 PM EST

Okay

2/12/22 8:52:16 PM EST

Is Jenna sending the EOCCG update?

2/12/22 8:58:01 PM EST

Let me see

2/12/22 8:59:35 PM EST

If not... I will send out in 15 minutes.

2/17/22 7:53:34 AM EST

Kim - we don't understand. The 6 buses already did their pick up and drop off. Unless this is a new request, the one from last night was actioned.

2/22/22 8:26:54 PM EST

6662 Bank St was an encampment the protesters retreated to after they were evicted. It's been checked a few times by the intel peeps. It's inactive. OPS believe this is the group that retreated to Herbs in Vankleek Hill.

2/22/22 8:30:06 PM EST

Thanks Beth

2/24/22 6:23:09 PM EST

Sent you the last update to EOCCG!!!! 🤔💣🎉👉

2/24/22 6:25:41 PM EST

Thanks

2/27/22 3:09:24 PM EST

Hey Kim - police are telling me there are about 3000 anti-Russia protesters at City Hall. Probably due to the Human Rights Memorial. I think they started by the Russian embassy and then made their way downtown. Police are on scene and say it is peaceful, no concerns.

2/27/22 9:13:36 PM EST

Thanks....
